President's Corner**By: Judy Holcomb, Ph.D., CHAE**

Fellow HFTP Mid-Florida Chapter Members,

This month we have a great mini-educational session planned. With the inaugural run of the Sunrail last month there is lots of buzz about Central Florida transportation and roads. Daniel Stephens will talk to us about not only the Sunrail project, but many other road and transportation projects that are in the works for the Central Florida area. An instructor at the University of Central Florida pursuing his Ph.D. in Public Affairs, Mr. Stephens is involved in many committees and initiatives involving transportation in the Central Florida area. Since I moved here in the mid 70's I've seen, as I'm sure most of you have, the traffic increasingly getting worse. Roads have been built during this time but coming from NY where public transportation is used by many we are nowhere near the many other cities. Truth be told, I would have thought we would have been further along in our implementation of public transportation by now and I am quite disappointed that were are not. This is an important topic I believe that all of us in hospitality should be interested in not only for the future of our industry but for our own transportation needs.

I want to take this time to thank all the members who are on the board of directors and are committee members that work behind the scenes to bring our members great venues and speakers for our monthly meetings as well as take care of the "administrative" duties that it takes to run "the largest chapter in the Universe". So next time you attend a meeting think about what it takes to plan all the aspects and go up to a board member and/or a committee member and thank them.

Those of you who are attending HITEC, have fun and enjoy! In the past when I've had the opportunity to attend I have found it quite informative. Global HFTP really does an excellent job with this event, those of you who have not had the opportunity to attend, I highly recommend it.

Thank you all for your continued involvement in the Greatest Chapter in the HFTP Universe!

Respectfully,

Judy

Corey Ryan**

As a new comer to the work force, Corey is just beginning her career in hospitality accounting where she is learning daily what it means to succeed in the hospitality industry.

Originally from Dearborn Michigan, Corey moved to Florida in 2008 to attend Saint Leo University while earning a scholarship to play for the school volleyball team. Early in her studies Corey chose the university's hospitality and tourism program and later on she took an interest in accounting. Corey graduated from the Honors Program in 2012 with her Hospitality degree and a minor in accounting.

Shortly before graduation Corey attended a "mock" interview at the Caribe Royale for a class assignment. From here she landed a real interview and eventually a job. Corey began her career in Orlando at the Caribe while also completing the Disney College Program at Disney's Port Orleans Resort. In January 2013, with her guest service and food and beverage experience, Corey was able to obtain a position at the Embassy Suites Orlando Lake Buena Vista South. She has only been there a little over a year, but she is learning and being challenged daily in her role. She hopes to continue to grow in this position with a desire to one day become a controller.

Mid - Florida Board Member Christine Cipar presents Corey with the coveted HFTP-Mid Florida padfolio and welcomes her to the chapter.

The mission of Camp Boggy Creek is to enrich the lives of children who have chronic or life-threatening illnesses by creating camping experiences that are memorable, exciting, fun, empowering, physically safe and medically sound. Since opening their doors on June 23, 1996, more than 40,000 children with chronic illnesses and their moms, dads, brothers and sisters have experienced the magic of Camp Boggy Creek, all at no cost to their families. Camp Boggy Creek is a magical place where creativity is inspired, spirits are uplifted and lives are changed forever.

The HFTP Mid-Florida chapter is a 501 (c) 6 organization. Contributions are tax deductible if they qualify as a business expense. Please contact your tax advisor if you need more information. All net proceeds will directly benefit Camp Boggy Creek, a not-for-profit organization, where children coping with chronic illness can just be kids!
